1.

PRESENTATION

- ⚙ How do I find the language?
(online, library etc.)
- ⚙ How do I access the content?
(laptop, paper, mp3...)
- ⚙ Is the content appropriate for my
level / age?
- ⚙ Is this the kind of language I
need?
- ⚙ Am I going to enjoy using this?
- ⚙ How well-designed is it?

2.

PRACTICE

**ROLL YOUR OWN
LANGUAGE LEARNING
MATERIALS
WITH THESE 3 STEPS**

- ✓ What language do I notice?
- ✓ Which parts are hard?
- ✓ Which do I want to focus on?
- ✓ What can I find out about it?
- ✓ How can I modify the language?
- ✓ How do I make it “my own?”
- ✓ What does it link with that I
already know?
- ✓ How do I make sure that’s correct?

3.

PRODUCTION

- Where / when will I use this language?
- What changes between the text and my context?
What will I link this language with?
- What will this language help me to do?
- What have I done before to support it?
- What must I do next to expand it?
